DETAILED ACTION

1. Claims 1-7 and 24-31 are pending in the present application.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on September 25, 2002 was considered by the examiner, a copy was mailed April 5, 2004. However, the following non-patent references listed on form PTO-1449 did not include a publication date as required by 37 CFR1.98(2)(b)(5): citation no. 9-32 and 44-47 (see pages 2-5 of IDS). Note annotated copy of form PTO-1449.

Allowable Subject Matter

3. Claims 1-7 and 24-31 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach the combined elements and functions of a prompt object and a resolution object for creating a report as cited in independent claims 1, 24 and 31. Specifically with respect to claim 1, the following limitation is not disclosed as claimed: *"a prompt object comprising a question to be asked of a user and at least one validation property, the prompt object being used to define one or more aspects of a report definition; and a resolution object for collecting as answer to a question of the prompt object for report creation; wherein the resolution object is created and stored prior to execution of a report"*. Regarding independent claim 24, the following

limitation is not taught as claimed: *"defining a report using a definition, comprising a filter and a template, using a prompt object to further define one or more aspects of the report definition, the prompt object comprising a question to be asked of a user and at least one validation property; and collecting an answer to a question of the prompt object for report creation using a resolution object; wherein the resolution object is created and stored prior to execution of the report"*. The limitations of independent claim 31 parallels independent claim 24, therefore it is allowed for similar reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
